

# Martin Nievera, The Promise

Say goodbye  
When I can barely say goodnight  
If I can hardly take my eyes from yours  
How far can I go?

Walk away  
The thought would never cross my mind  
I couldn't turn my back on Spring or Fall  
Your smile least of all

When I say always  
I mean forever  
I trust tomorrow as much as today  
I am not afraid to say I love you  
and I promise you  
I'll never say goodbye

We're dancers  
On a crowded floor  
while other dancers leave from song to song  
Our music goes on

On and on  
And if I never leave your arms  
I really would have traveled everywhere  
For my world is there

When I say always  
I mean forever  
I trust tomorrow as much today  
I am not afraid to say I love you  
And I promise you  
I'll never say goodbye
