

# Martin Nievera, Too Shy To Say

You make me smile  
You make me sing  
You make me feel good to everything  
You bring me up, when I've been down  
This only happened when you are around  
And I can't go on this way  
When it's stronger everyday  
But being too shy to say  
I really love you

I wanna fly, away with you  
Until there's nothing more for us to do  
I wanna be, more than a friend

Until the end of an endless end  
And I can't go on this way  
When it's stronger everyday  
But being too shy to say  
That I really love you  
And I can't go on this way  
Feeling stronger everyday  
But being too shy to say  
That I really love you  
I do...
