

# Martin Solveig, Places (ft. Ina Wroldsen)

I come back to the places where we found us  
There're somewhere between our bad lust

And I could go anywhere, anywhere is home  
Yes, I could go anywhere, never feel alone  
I come back to the places where we found us

When I'm not with you, I'm not me  
Nothing ever feels good  
When I'm not with you  
I'm not in control of what I do,  
It's not me, when I'm not with you,  
I'm not me  
Nothing ever feels good  
When I'm not with you  
I'm not in control of what I do,  
It's not me  
When I'm not with you
