

# Martin Stenmarck, Las Vegas ( Eurovision 2005 )

I've got a room here at the Mandalay bay  
I take a shower then I'm on my way  
I bring a friend if someone picks a fight  
Here in Las Vegas tonight  
It's close to midnight when I hit the Strip  
The maiden voyage of my Vegas trip  
The night is young and everything's all right  
Here in Las Vegas tonight  
Dancing girls and cabarets  
You can spend your money in a million ways  
Let's have a ball  
The winner takes it all  
In Las Vegas, in the neon lights  
You'll be a star if you do it right  
In Las Vegas, whoa-oh-oh  
You'd better hold on tight  
In Las Vegas, can't believe your eyes  
Your luck can turn in a throw of a dice  
In Las Vegas, whoa-oh  
You'd better hold on tight  
Here in Las Vegas tonight  
I'm leaving with a million-dollar smile  
The hotel manager can check my file  
Fred the limo driver's asking polite,  
"Leaving Las Vegas tonight?"  
Dancing girls and cabarets  
You can spend your money in a million ways  
Let's have a ball  
The winner takes it all  
In Las Vegas, in the neon lights  
You'll be a star if you do it right  
In Las Vegas, whoa-oh  
You'd better hold on tight  
Hey, yeah, yeah  
(In Las Vegas)  
In Las Vegas  
In Las Vegas, in the neon lights  
You'll be a star if you do it right  
(In Las Vegas)  
You'd better hold on tight  
In Las Vegas, can't believe your eyes  
Your luck can turn in a throw of a dice  
In Las Vegas, whoa-oh  
You'd better hold on tight  
Here in Las Vegas tonight
