

MARTIN TUNGEVAAG, Wicked wonderland

I've been thinking about wrong,
I've been thinking about right,
I just wanna thrive,
I don't wanna fight,

Can you see the flickering lights, baby?
Put your glass up in the air, with me,
Hola hola let them hear us, loudly,
Our top is to show them off, proudly

Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door,
Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door.

Is this a fairy tale I see how it end
No ado english but you're on my agenda
Where are my friends are

Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door,
Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door.

Can you see the flickering lights, baby?
Put your glass up in the air, with me,
Hola hola let them hear us, loudly,
Our top is to show them off, proudly

Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door,
Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door,
Wicked Wicked Wonderland,
Wicked Wicked Wonderland,
Wicked Wicked Wicked Wicked Wicked Wicked Wonderland

Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door,
Wicked Wicked Wonderland,
It's like crossing the Rio Grande,
You gotta have the cash in store to reappear on our front door.
