

# Martina McBride, Ashes

Ashes

He's nothing but ashes  
No feelings have lasted  
No love remains

Ashes

That's all that our past is  
He's nothing but ashes  
From a cold old flame  
I saw your face when  
He waltzed in here  
But those old embers  
Haven't burned for years  
The light that's shining  
In my eyes  
Is for the one that  
I'm with tonight

Ashes

He's nothing but ashes  
No feelings have lasted  
No love remains

Ashes

That's all that our past is  
He's nothing but ashes  
From a cold old flame  
No I don't blame you  
For having some doubts  
But when he left me  
That fire burned out  
So don't be thinking  
There's still a spark  
'Cause he could never  
Tear us apart

Ashes

He's nothing but ashes  
No feelings have lasted  
No love remains

Ashes

That's all that our past is  
He's nothing but ashes  
From a cold old flame  
He's nothing but ashes  
From a cold old flame
