## Martina McBride, Chances Are

Chances are you'll find me Somewhere on your road tonight Seems I always end up driving by Ever since I've known you It seems you're on my way All the rules of logic don't apply I long to see you in the night Be with you 'til morning light I remember clearly how you looked The night we met I recall your laughter and your smile I remember how you made me Feel so at ease I remember all your grace and your style And now you're all I long to see You've come to mean so much to me Chances are I'll see you somewhere In my dreams tonight You'll be smiling like the night we met Chances are I'll hold you and I'll offer All I have You're the only one I can't forget Baby you're the best I've evermet And I'll be dreaming of the future And hoping you'll be by my side And in the morning I'll be longing for the night For the night Chances are I'll see you Somewhere in my dreams tonight You'll be smiling like the night we met Chances are I'll hold you and I'll offer All I have You're the only one I can't forget Baby you're the best I've ever met
