## Martina McBride, Cry Cry (Till The Sun Shines)

I know a girl she was a waitress
Had a big spirit 'til she let her boyfriend break it
He always talked her down, he took her pride and kicked it 'round
Yeah, took it as long as she could take it
She left a note on the dresser and hung up her apron

[Chorus]
Cry, cry 'til the sun shines baby
Cry, cry 'til the sun shines
It's gonna be alright, it's gonna be alright, baby

I know a man who tried to ease his mind Chase his regrets with any bottle he could find Life cut him down so low, it took his pride and broke his soul, yeah 'Til he forgave himself and let it go

## [Repeat Chorus]

We're all here just tryin' to live our lives
Payin' our electric bills and spendin' up our time
When there ain't a friend to be found
You can't break through the concrete clouds
When the rain, when the rain comes crashin' down

[Repeat Chorus]
