

# Martina McBride, Love's Gonna Live Here Again

Oh the sun's gonna shine in my life once more love's gonna live here again

Things're gonna be the way they were before love's gonna live here again

Love's gonna live here love's gonna live here love's gonna live here again

No more loneliness only happiness love's gonna live here again

[guitar]

I hear bells're ringin' birds're singin' love's gonna live here again

And I hear bees a hummin' well I know the days're comin' love's gonna live here again

Love's gonna live here...
