

# Martina McBride, There You Are

There you are in the early light of day  
There you are in the quiet words I pray  
I've been blessed by the simple happiness  
Of the perfect love we've made  
Every time I turn around  
When I'm lost and when I'm found  
Like an angel standing guard  
There you are  
Every time I take a breath and when I forget to breathe  
You're watching over me there you are  
When I'm looking for the light in the middle of the night  
Searching for the brightest star  
There you are  
There you are standing in a crowded room  
There you are the earth and I'm the moon  
My desire is to stand by the fire  
That burns inside of you  
Every time I turn around  
When I'm lost and when I'm found  
Like an angel standing guard  
There you are  
Every time I take a breath and when I forget to breathe  
You're watching over me there you are  
When I'm looking for the light in the middle of the night  
Searching for the brightest star  
There you are  
When I'm looking for the light in the middle of the night  
Searching for the brightest star  
There you are  
There you are  
There you are
