

Martina McBride, There You Are

There you are in the early light of day
There you are in the quiet words I pray
I've been blessed by the simple happiness
Of the perfect love we've made
Every time I turn around
When I'm lost and when I'm found
Like an angel standing guard
There you are
Every time I take a breath and when I forget to breathe
You're watching over me there you are
When I'm looking for the light in the middle of the night
Searching for the brightest star
There you are
There you are standing in a crowded room
There you are the earth and I'm the moon
My desire is to stand by the fire
That burns inside of you
Every time I turn around
When I'm lost and when I'm found
Like an angel standing guard
There you are
Every time I take a breath and when I forget to breathe
You're watching over me there you are
When I'm looking for the light in the middle of the night
Searching for the brightest star
There you are
When I'm looking for the light in the middle of the night
Searching for the brightest star
There you are
There you are
There you are
