

Martina McBride, True Blue Fool

I'm so blue lonely for you
What makes you treat me the way that you do
I've been true only to you
Just call me your true blue fool

Every day you're away lasts forever
Oh what price my heart pays just to stay together

I'm so blue lonely for you
What makes you treat me the way that you do
I've been true only to you
Just call me your true blue fool

First you lie then I cry then you're sorry
I forgive once again it's just the same old story

I'm so blue lonely for you
What makes you treat me the way that you do
'Cause I've been true only to you
Just call me your true blue fool
Just call me your true blue fool
