

Martina McBride, Wrong Baby Wrong Baby Wron

Wrong baby wrong baby wrong
It aint the end of the world
Dont you worry pretty girl
Cause now that hes gone baby gone baby gone
You got nothing to lose
Count the minutes if you want to
It wont be long baby long baby long
Til you find somebody new
Come on now
Everyone falls down
Everyone crawls now and then
Then they get up again
You cry if you want to
Thats what we all do
But if you think youll never move on youre wrong baby
Cry baby cry baby cry
Go on and let it all out
I aint leavin you now
And we can fly baby fly baby fly
Lets share a bottle of wine
We can laugh about the good times
And youll know why baby why baby why
Its gonna be alright
Come on now
Everyone falls down
Everyone crawls now and then
Then they get up again
You cry if you want to
Thats what we all do
But if you think youll never move on youre wrong baby wrong
Oh you aint gone
baby wrong baby wrong
Theres nothing wrong with movin on
When you know hes good and gone
Come on now
Everyone falls down
Everyone crawls now and then
Then they get up again
You cry if you want to
Thats what we all do
Come on now
Everyone falls down
Everyone crawls now and then
Then they get up again
You cry if you want to
Thats what we all do
But if you think youll never move on youre wrong baby wrong
Youre wrong baby wrong
Wrong baby wrong baby wrong
