

# Martine McCutcheon, Tremble

Do you tremble when i touch you  
Even though it's not allowed  
And do you feel we're all alone  
Even when we're in a crowd  
Does it scare you and unnerve you  
That i make you feel so good  
All night and day  
You want to stay  
But walk away  
You feel you should  
You know you should  
If only you could  
'Cause i want you  
And if you want me too  
Just hold me close  
And don't let go  
Do you tremble when i kiss you  
Even though it's not allowed  
And do you feel we're all alone  
Even when we're in a crowd  
Does it scare you and unnerve you  
That i make you feel so good  
All night and day  
You want to stay  
But walk away  
You feel you should  
You know you should  
If only you could  
'Cause i want you  
And if you want me too  
Just hold me close  
And don't let go  
Just hold me close  
And don't let go  
Do you tremble when i kiss you  
Even though it's not allowed  
And do you feel we're all alone  
Even when we're in a crowd  
Does it scare you and unnerve you  
That i make you feel so good  
All night and day  
You want to stay  
But walk away  
You feel you should  
You know you should  
If only you could  
'Cause i want you  
And if you want me too  
Just hold me close  
And don't let go  
Just hold me close  
And don't let go
