

Martine McCutcheon, Tremble

Do you tremble when i touch you
Even though it's not allowed
And do you feel we're all alone
Even when we're in a crowd
Does it scare you and unnerve you
That i make you feel so good
All night and day
You want to stay
But walk away
You feel you should
You know you should
If only you could
'Cause i want you
And if you want me too
Just hold me close
And don't let go
Do you tremble when i kiss you
Even though it's not allowed
And do you feel we're all alone
Even when we're in a crowd
Does it scare you and unnerve you
That i make you feel so good
All night and day
You want to stay
But walk away
You feel you should
You know you should
If only you could
'Cause i want you
And if you want me too
Just hold me close
And don't let go
Just hold me close
And don't let go
Do you tremble when i kiss you
Even though it's not allowed
And do you feel we're all alone
Even when we're in a crowd
Does it scare you and unnerve you
That i make you feel so good
All night and day
You want to stay
But walk away
You feel you should
You know you should
If only you could
'Cause i want you
And if you want me too
Just hold me close
And don't let go
Just hold me close
And don't let go
