

# Marty Robbins, Ain't Life A Crying Shame

I'm tied to someone that's true and yet I love another too  
Oh ain't life a crying shame  
I hate to hurt them either one I want 'em both can't have but one  
Oh ain't life a crying shame  
I wish I knew which way to turn which love light should I let burn  
Makes no difference how I choose I can't win I'll only lose  
Bound to break somebody's heart tear somebody's world apart  
Oh ain't life a crying shame  
[ piano ]  
I wish I knew which way to turn...
