Marty Robbins, Back To Montego Bay

Over blue mountain I must go back to the woman I love so
I told her I'd return someday I'd return to Montego Bay

I left Montego Bay fortune to find for the woman I'd love to make mine
Now my fortune I have found I'm going up blue mountain then I'm going down

To Montego Bay Montego Bay I left my woman in Montego Bay
Montego Bay Montego Bay I'm going back to Montego Bay
[guitar]
If it takes a hundred days and a hundred nights
Putting my left in front of my right
Over blue mountain I will go back to the woman I love so

Montego Bay Montego Bay I'm going back to Montego Bay
Montego Bay Montego Bay I'm going back to Montego Bay
I'm going back to Montego Bay I'm going back to Montego Bay
I'm going back to Montego Bay
