Marty Robbins, Call Me Up (And I'll Come Calling

When you're all alone and blue And you don't know what to do Call me up and I'll come calling on you When you're all alone at home And no one calls you on the phone Call me up and I'll come calling on you

When there's teardrops big and round In your eyes so big and brown And your little old heart is about to break in two Well, I know you know we know that they know I'm in love with you Call me up and I'll come calling on you
