

# Marty Robbins, Can't Help Falling In Love

Wise men say only fools rush in  
But I can't help falling in love with you

Shall I stay would it be a sin  
If I can't help falling in love with you

Like a river flows  
Surely to the sea  
Darling so it goes  
Some things were meant to be  
Take my hand take my whole life to  
Cause I can't help falling in love with you

Like a river flows  
Surely to the sea  
Darling so it goes  
Some things were meant to be  
Take my hand take my whole life to  
Cause I can't help falling in love with you

Cause I can't help falling in love with you
