

# Marty Robbins, Don't Make Me Ashamed

Don't make me ashamed of things that you say or do  
Don't make me regret that I fell in love with you  
I'm pleading with you to love, honor and obey  
Though others may tempt you remember our wedding day

And should others tempt you by tellin' you lies  
Their love can mean nothing it's just a disguise  
Don't make me ashamed of things that you say or do  
Don't make me regret that I fell in love with you

And should others tempt you by tellin' you lies  
Their love can mean nothing it's just a disguise  
Don't make me ashamed of things that you say or do  
Don't make me regret that I fell in love with you
