

# Marty Robbins, Last Time I Saw My Heart

The last time I saw my heart was on my way up to your lips  
As I was lost in your embrace I found myself somewhere in space  
When I came down to earth again my heart was gone  
The last time I saw my heart I know that I was in your arms  
And as we kissed I closed my eyes and stumbled into paradise  
When I returned from paradise my heart was gone  
Why did you leave where did you go  
I can't believe you deceived someone who needs you so  
Oh come back I beg of you and keep my heart I want you to  
Though I can live without my heart I'll die if we remain apart  
The last time I saw my heart I fell in love  
The last time I saw my heart I fell in love
