

Marty Robbins, Last Time I Saw My Heart

The last time I saw my heart was on my way up to your lips
As I was lost in your embrace I found myself somewhere in space
When I came down to earth again my heart was gone
The last time I saw my heart I know that I was in your arms
And as we kissed I closed my eyes and stumbled into paradise
When I returned from paradise my heart was gone
Why did you leave where did you go
I can't believe you deceived someone who needs you so
Oh come back I beg of you and keep my heart I want you to
Though I can live without my heart I'll die if we remain apart
The last time I saw my heart I fell in love
The last time I saw my heart I fell in love
