

# Marty Robbins, Put A Littlerainbow In Your Pocke

Put a little rainbow in your pocket  
Put a little starlight in your eyes  
Sunshine in your walk, your talk  
And soon you'll realize  
Happiness is made of rainbows  
Dreams come from the stars above  
Smiles are made of sunshine  
And hearts are made for love

(Love, love, love)

Look for the rainbow when it's rainin'  
Look for the stars behind the clouds  
Mister sun is gonna shine again  
Of this there is no doubt  
Happiness is made of rainbows  
Dreams come from the stars above  
Smiles are made of sunshine  
And hearts are made for love

(Love, love, love)
