

# Marty Robbins, Refer Him To Me

If he wants to know her lips and touch of her fingertips  
I touched them before refer him to me  
The loveliness of her face to warm her in his embrace  
I held her before refer him to me  
The dreams that were ours to share when she was here  
I'm helpless beyond compare without her near  
Though she no longer wants my kiss if he'll bring her happiness  
I ask nothing more refer him to me  
Though she no longer wants...
