

# Marty Robbins, Rose Of Ol' Pawnee

My rose of ol' Pawnee a flower of a dawn  
Blooming tenderly her memory still lingers on  
My angel of the night a moonlit reverie  
A star of love so bright shines on my rose of ol' Pawnee

Sweet are the dreams that I hold in my heart as I go wanderin' along  
Long are the hours since we drifted apart deep in my heart is a song  
My angel of the night...  
[ fiddle ]  
Sweet are the dreams...
