

Marty Robbins, Up To My Shoulders In A Heartache

Well you don't want my lovin' but in case you do (in case you do)
You don't want my huggin' but in case you do (you do)
Let me tell you where I'll be just in case you yoz come a lookin' for me
I don't expect you to get blue but just in case you do

I'll be up to my shoulders in a heartache
Up to my shoulders in a heartache op to my shoulders in a heartache
That's where I'll be
Up to my shoulders in a heartache
Up to my shoulders in a heartache op to my shoulders in a heartache
That's where I'll be

You don't want my kissin' but in case you do (in case you do)
Me you're not a missin' but in case you do (you do)
Just in case your dreams were wrong
In case you're lonely just a little too long
I don't expect you to get blue but just in case you do

I'll be up to my shoulders in a heartache...
