

Marvelous 3, Boys Nite Out

(b. walker, j. harte, d. child)

Dudes get on your duds.
We're shootin' down the sun.
This will be the night,
The boys are gonna run.

Buckle up your booties.
Cus' we are gonna ride.
Nothin' gonna shake and nothin' gonna break our stride.
We got our pride at stake.
No matter what it takes,
Ain't nobody tough enough to turn this tide.

Hey! are you ready?
We'll rock this night like thunder.
Cus' it's the boys nite out.
Just hold on steady,
This town is going under,

Cus' it's the boys nite, the boys nite out.

Dudes put up your dukes.
Heads are gonna roll.
I'm tickin' like a bomb,
Ready to explode.
We're takin' on the city.
We're gonna burn it to the ground.
Tearin' up the street,
Turnin' up the heat.
Ain't nobody bad enough to bring us down.

Hey! are you ready?
We'll rock this night like thunder.
Cus' it's the boys nite out.
Just hold on steady.
This town is going under.
Cus' it's the boys nite, the boys nite out.
