

Marvin Gaye, Always

Always And forever
each moment with you
is just like a dream to me
that somehow came true
and i know tomorrow
will still be the same
cuz we got a life of love that
won't ever change

Chorus
Everyday love me
your way special way
melt all my heart
with a smile
take time to tell me
you really care
and we'll share tomorrow
together always forever love you
I'll always love you forever

ever ever evr
