

Marvin Gaye, Come Live With Me Angel

Come live with me angel
Come live with me in comfort

I wanna be your lover
I don't understand you, baby
I wanna be your lover
I really, really wanna be your lover
If you want some solitude-sure
I wanna be your lover
You can't have it
Ooh yeah baby
I wanna be your lover

Darling please walk around me three times a day
So i can get cha baby
I want to be true at least three times a day
In all the ways baby - whoo
You can have your way if you decide to stay

so

Come chill with me angel - Woooo
Come chill with me in comfort
Come chill with me angel
Come chill with me in comfort

ooh, ooh, ooh, this is where all your fantasies end
Let me explore all your treasures
I'll turn you on to all of those freakish pleasures
Good experienced company
Like me who knows all the ways
Is what you need baby
Just you and me locked up for days
After we eat breakfast in bed
Turn on the music for our head

Come live with me angel
Come live with me in comfort

My beautiful Angel
Darling Angel
Sock it to me, baby sock it to me

Oh, Angel
Come on Go with me
Please come on go with me
Comfort me

Sweet little thing
It's no mystery
How much I want you
I want you baby
I want you
I want you can't you see
If you have anything
Sweet and sexy thing
I want you to live with me
Whoo
Come on Sweet thing
Come on live with me, girl
Come on baby
