

# Marvin Gaye, Darling You're Wonderful

Words seem to fail me  
Whenever you are near  
I've got to get myself together  
And tell you how much I care  
'cause when you look at me  
I get weak in my knees  
My heart won't let me be  
Won't you help me, please  
I really love you  
Darling, you're wonderful  
Darling, you're wonderful  
You are so divine  
You're my heavenly dream  
You're a cool, cool breeze  
That caress me on a hot summer night  
I suffer so much, baby  
When you're out of my sight  
So baby come to my arms  
Let me thrill to your charms  
So I won't be alone  
You'll be the queen on my throne, baby  
Darling, you're wonderful  
Darling, you're wonderful  
The Spinners would say:  
You're a sweet thing, baby  
You're a sweet, sweet thing  
Stevie Wonder would say:  
You are uptight  
Clean out of sight  
Sam Cooke would say:  
I know, I know, I know, I know  
You know that I know you're wonderful
