

Marvin Gaye, Fly Me To The Moon (In Other Words)

Fly me to the moon
And let me play amongst the stars
Let me know what spring is like
On Jupiter and Mars

In other words, hold my hand
In other words, baby kiss me

Fill my heart with song
And let me sing for ever more
You are all I long for
All I cherish and adore

In other words, please be true
In other words, I love you

Fill my heart with song
And let me sing for ever more
You are all I long for
All I cherish and adore

In other words, please be true
In other words, I love you
