

Marvin Gaye, Sparrow

I used to hear a sparrow singing, baby
Oh, but one day as I went along
I didn't hear his song
But I know the sparrow should sing
Sing on such a morning in spring
Oh sparrow, why don't you sing
Sing to me, Oh sparrow come around
Come around why don't you can around
Sing about melody, oh melody
About the things you see
Anything you want to sing about
Just sing it on out now
Sing it on out
Let the world know what life's all about
Sing little sparrow sing
Sing little sparrow sing
Oh sing little sparrow
Won't you sing for me?
And for the rest of all my world
They'll appreciate it, I know
Everytime I'm feeling low I know
I can always count on you
Sing little sparrow
About the troubles you're in
Places you've been
You can sing, I know it
Dont you try to pretend
But sing while you're here
Sing a song my dear
Let me hear your song don't you be too cold
Sing little sparrow sing
I want you to sing little sparrow sing
I want you to sing little sparrow sing
Oh a pretty bird song

Sing to me let me hear your agony
Did you say May sucking up the lay
Sing to me of peace and love
Sing to me of God above
Sing, sparrow
Oh, sparrow sing

Sing to me about about mans and humanity
And all the injustice you see
Sing, sparrow
Sing little sparrow sing,
Sing about what to give
Sing about how to live
I want you to sing your true sparrow
Oh sparrow sing
Sing to me of jealousy
I've seen what it's all about
Sing it all out
Shout, little Sparrow
Oh sing at me
Sing me a, sing me a song
I wanna know what's wrong
Little bird tell me
Ah, sparrow
Sing, sparrow
Cause I wanna know
You sleep itty bitty pretty bird
Sing to me, before you go
Sing to me, Marvin Gaye

Before you fly away
Never stop singing, Sparrow
Till we hear your song
Song
Sing your song
Sing your song
On and on and on and on and on
On and on and on and on and on
I remember a bird
