

Marvin Gaye, Too Busy Thinking About My Baby

(Norman Whitfield/Barrett Strong/Janie Bradford)

Ah-ah-aaah, oh yeah... Oh listen to me people

I ain't got time to think about money
Or what it can buy
And I ain't got time to sit down and wonder
What makes a birdie fly

And I don't have the time to think about
What makes a flower grow
And I've never given a second thought
To where the rivers flow

[Chorus:]
Too busy thinking about my baby
And I ain't got time for nothing else

Said, I ain't got time to discuss the weather
How long it's gonna last
And I ain't got time to do no studies
Once I get out of class
Tellin ya I'm just a fellow
Said I got a one track mind
And when it comes to thinking about anything but my baby
I just don't have any time

[Chorus]

The diamonds and pearls in the world
Could never match her worth, no no
She's some kind of wonderful, people tell ya
I got heaven right here on earth
I'm just a fellow
With a one, one track mind
And when it comes to thinkin' about anything but my baby
I just don't have any time

[Chorus]

(yeah, she's never hard to find
'cause she's always on my mind)
