

# Marvin Gaye, What's The Matter With You Baby

(Clarence Paul/William &quot;Mickey&quot; Stevenson/Barney Ales)

[Both:] Wo wo wo...

[Him:] What's the matter with you, baby, what's the matter?  
What did I do wrong?

[Her:] Do you really wanna know?

[Him:] I wanna know, what's the matter with you, baby?

[Her:] You know that you done me wrong

[Him:] Sorry, didn't mean no harm  
Oh baby, let me take you out tonight  
Make every little thing all right

[Her:] You know you told me there would never be another  
And you know you lied

When you lied, you hurt me, baby

[Him:] When I left and I went away  
I didn't know how much I loved you until today

[Her:] Oh baby, leavin' me wasn't right  
And now you wanna take me out tonight

[Him:] Mary, won't you let me get on your good side?

[Her:] If I did that, Marvin, it would hurt my pride

[Him:] Hey, let me make it up to you if I can

[Her:] I can't do it, don't you understand?

[Him:] What's the matter with you, baby, what's the matter?

[Her:] I told you that you done me wrong

[Him:] Well, can you forgive me, Mary, please forgive me?

[Her:] I'll try, but it'll take some time

[Him:] Hurry up, hurry up, before I lose my mind

[Her:] I've got a feelin' everything is gonna work all right  
But you can't take me out tonight

[Both:] Wo wo wo... (and fade)
