

# Marvin Gaye, You're The One For Me

Maybe there'll come a time when I won't be sad and lonely

just suppose I could love you from the very start, maybe  
heaven knows I could show you with an open heart, baby  
you're the one that I've been waiting for  
in this loneliness forever more

baby, I know you're the one for me

can it be that you're needing me as I need you, honey?  
(promise me)  
promise me if we part and I never knew, funny  
deep inside my heart I hope and pray  
that someday you'll come to me and say  
"baby, I know you're the one for me"

maybe there'll come a time when I won't be sad and lonely

love is strong and i'm betting that it will come my way, gladly  
if i'm wrong and mistaken, then i'll have to pay, sadly  
no other love could ever be the same  
if we fail, there's just yourself to blame

oh baby, I know you're the one for me  
maybe there'll come a time when I won't be sad and lonely  
so lonely  
maybe there'll come a time when I won't be sad and lonely  
you're the one for me  
you're the one for me  
all of my life  
you're the one for me  
i'll never have another love  
you're the one for me  
for the rest of my life  
you're the one for me
