

Marvin Sapp, Praise Him In Advance

I've had my share of ups and downs, times when there was no one around, God came and spoke to

I started singing, I started clapping, I started dancing, people were laughing, they knew my problem

I have my share of ups and downs, times when there was no one around, God came and spoke the

I started singing, I started clapping, I started dancing, people were laughing, they knew my problem

That's why I praise him with my hands, that's why I praise him with a dance, He's given me a second

That's why I praise him with a song, when things are right and when they're wrong, He's given me a
