

# Mary Gauthier, Evangeline

She said, &quot; You are not my lover,  
So don't look at me that way.  
Just cause I let you touch me,  
Don't mean I'll let you stay.&quot;  
She said, &quot;Lovers try to change me,  
the minute I care'  
but baby when I'm dancing  
I dance on air, I dance on air.

And all the other dancers,  
Fade in smoke and blue,  
And money comes from heaven.  
God's alive baby,  
Yea, he comes through.

CHORUS Evangeline Evangeline

She moves, I can't stop watching,  
Yea, the dirty stage, it's her home.  
And on my skin her touch lingers,  
And it's worse  
than being alone, being alone.

And all the other dancers,  
Fade in smoke and blue,  
And my money buys me time here  
Where the beer lights and the neon nights  
Make a shadow out of you

CHORUS  
Evangeline Evangeline

She floats out of the spotlights  
She will not look my way  
I'm gonna sit here waiting.  
Till the night  
Turns to day.
