

# Mary J. Blige, Be Without You&nbsp;

I wanna be with you, gotta be with you, need to be with you  
(Oh, oh, oh, oh)  
I wanna be with you, gotta be with you, need to be with you  
(Oh, oh, oh, oh)  
Oooo (oh, oh, oh, oh) oooo

Chemistry was crazy from the get-go  
Neither one of us knew why  
We didn't build nothing overnight  
Cuz a love like this takes some time  
People swore it off as a phase  
Said we cant see that  
Now from top to bottom  
They see that we did that (yes)  
Its so true that (yes)  
Weve been through it (yes)  
We got real sh\*\* (yes)  
See baby we been...

Too strong for too long (and I cant be without you baby)  
And Ill be waiting up until you get home (cuz I cant sleep without you baby)  
Anybody whos ever loved, ya know just what I feel  
Too hard to fake it, nothing can replace it  
Call the radio if you just cant be without your baby

I got a question for ya  
See I already know the answer  
But still I wanna ask you  
Would you lie? (no)  
Make me cry? (no)  
Do somethin behind my back and then try to cover it up?  
Well, neither would I, baby  
My love is only your love (yes)  
Ill be faithful (yes)  
Im for real (yes)  
And with us youll always know the deal  
Weve been...

Too strong for too long (and I cant be without you baby)  
And Ill be waiting up until you get home (cuz I cant sleep without you baby)  
Anybody whos ever loved, ya know just what I feel  
Too hard to fake it, nothing can replace it  
Call the radio if you just cant be without your baby

See this is real talk  
Im always stay (no matter what)  
Good or bad (thick and thin)  
Right or wrong (all day everyday)  
Now if youre down on love or dont believe  
This aint for you (no, this aint for you)  
And if you got it deep in your heart  
And deep down you know that its true (come on, come on, come on)  
Well, let me see you put your hands up (hands up)  
Fellas tell your lady shes the one (fellas tell your lady shes the one, oh)  
Put your hands up (hands up)  
Ladies let him know he's got your love  
Look him right in his eyes and tell him  
Weve been...

Too strong for too long (and I cant be without you baby)  
And Ill be waiting up until you get home (cuz I cant sleep without you baby)  
Anybody whos ever loved, ya know just what I feel  
Too hard to fake it, nothing can replace it  
Call the radio if you just cant be without your baby
