

Mary J. Blige, I Never Wanna Live Without You

Can't live without you
(Can't live without you)
Can't live without you, baby
(Ohhh)

Can't live without you

[Chorus]

I never wanna live without you baby

I wanna be your lady

Love is sooo amazing

I never wanna live without you baby

I wanna be your lady

Love is sooo amazing

[Verse 1]

What is this feeling? I can't sleep at night

Just thinking 'bout being without you

Work 'til I'm tired and I can't eat a bite

'Cause I know someday is only...

[Chorus]

[Verse 2]

I have the man that I want

I prayed so many nights for you and then my prayers came true

Now that I have the answer, I'll be wishing on a star

I'll follow you where you are

I don't wanna be alone so baby let's stay together

Through any kind of weather, yeah

Let's make a happy home because you mean so much to me baby

That's why I wanna be your lady

[Chorus 2x]

I don't wanna be alone so baby let's stay together

Through any kind of weather

Let's make this a happy home because you mean so much to me baby

That's why I wanna be your lady

[Chorus]

Baby, won't you stay with me a little while?

(Baby, won't you stay?)

Baby, won't you stay with me a little while?

(Stay with me for a little while)

Baby, won't you stay with me a little while?

(All I wanna know is...)

Baby, won't you stay with me a little while?

(...can you stay?)

Won't you stay with me?

I need you

Oh, I need you

I need your warm embrace

I need your sweet, sweet taste, baby

C'mon, c'mon. C'mon, C'mon

Stay with me

Stay, stay
