

# Mary J. Blige, Keep It Moving

Verse 1:

ooohhhh,ooohhhh,ooohhhh  
Some come around me try to call my bluff  
Pushin my buttons just to see if im tuff  
Behind my back spreadin all kind of lies  
Cuz your an agent workin on both sides  
Hangin around me tryin ta get some shine  
Your mad at me becuz I work for mine  
Plus sweat and tears just to make a dime  
While you sit back and try to take whats mine

Chorus:

Don't let em push you to the limit cuz they like it a lot  
and if they keep pushin just tell em ta just keep it movin  
(keep it movin) keep it movinyaaah  
For you and your partner can keep hatin on me  
and I'm sorry that you feel this way but you can just  
Keep it movin (keep it movin) keep it movin yeeah

Verse 2:

Spiritually, mentally, physically  
I'm tryin my best to better myself and no one else  
But your so busy thinkin that this money is gonna turn  
me ta someone else and settle for less  
Get your own life, on your own time, stop hangin around  
tryin ta drain me dry  
I've been broke before,I cant do it no more, but if I have to  
it won't be over you  
No one in this world can make me self-destruct  
If you listen real close you would hear just what I'm tryin ta say to you, you and your crew  
So stop sittin round waitin on me ta lose

(chorus)
