Mary J. Blige, Love Is All We Need

[Nas]
Mary...
Live ya life girl...
Mmm, Mmm...
Ohhhh
Love is all we need
Said it's all we need
Mmmmm...
Cause everybody needs love
[Verse 1:]
Love is all we need
To make everything complete
If we try to live together and be happy
You and me are one
And we've only just begun
So let's make a new beginning and have some fun
Oh...
[Chorus:]
Love is all we need
Said it's all we need
To make everything complete
All we need is L-O-V-E
Love is all we need
Cause to love you would mean everything
Cause everybody need love
[Verse 2:]
Dealing with tough times
Seems to always blow my mind
But I know where my heart is so I am fine
If we remain friends
It would never ever end
And this love I give to you you can depend on, love
[Chorus]
Love is all we need
To make every little thing complete
Oh, if you would trust in me
I'd let you know, that I love
[Chorus]
[Rap: Nas]
Feel this hit, bangin' in your residential district
Presidential chipped out canary rock sizzlin'
Mary hot pop crisp shorty got this
Fly angel, my dreams of a queen came true
In this land that's dark, if you my man, then you my heart
I'll blast for you, need bail put up tha cash for you
Girls who mad loyal die for you, leave 'em if they actin' too fly for you
All up in yo mix then in somebody else six
Quick to put yo name in some murder one shit
I'm not the one cheatin' on you, or beatin' on you
Cause I'm laid back you thought that I was sleepin' on you,
Real love make a ill thug feel bugged
Nas analyze are you trustworthy by the looks on your eyes
Stay wit me, be my dog like Dollar and Richie
She convinced me, all we realy need is love strictly
[Chorus]
You know love is all we need
To make everything complete
I wanna be happy, we can be happy
Don't you wanna be happy with me?
You and me are 2 in 1
And our love has just begun
And we can love, we can love oh we need it
[Chorus]
[Nas]

One love, one life
Live on, stay strong
Live ya life girl
Cause everybody needs love
