## Mary J. Blige, Memories

Sitting here all alone on Valentine's Day I really wanna call him up But my pride is all in the way, hey Picture's getting clearer I see what's been going wrong for years The ones you say are far, really are so near I'm thinking of

[1] - Roses that you sent to me All the kisses that you gave to me Memories of what we used to be All alone this special day Thinking 'bout the time you went away Valentine's Day will never be the same

How come men nowadays bring you so much joy And so much pain Can anybody help me? I think I'm going insane Valentine's Day will never be the same Cause I think about you always I cherish everything you gave to me I'm thinking of

[Repeat 1]

You took my love for granted Then you mean to think that Everything was fine between me and you Everytime this day comes around I wanna feel your touch I can't believe what you did to me I hate cha, did me wrong But still I must move on

I gotta move on, ooh oh

[Repeat 1 until fade]
