

# Mary J. Blige, Ooh!

[1st Verse:]

In the middle of the night.  
When you hold me tight.  
Say it's all right.  
I'm yours forever.  
I do what you want.  
If you don't hurt me.  
I'll cook and clean.  
I'll make you happy.

[Chorus:]

And ooh!  
What you do to me.  
Ooh! You're my everything.  
And ooh! I'm so glad I found you.  
Ooh! I can't live wit out you.

[2nd Verse:]

Got a Jones in my bones.  
And it's all for you baby.  
Can't leave you alone.  
I'm so addictive.  
I can't shake this thang.  
It's the sweetest pain.  
So who's your girl?  
You better say my name.

[Chorus:]

And ooh! What you do to me.  
Ooh! You're my everything.  
And ooh! I'm so glad I found you.  
Ooh! I can't live wit out you.

[Bridge:]

What you do to me, it's just a mystery.  
It's hard to believe that you our here with me.  
Making all my dreams a sweet reality.  
All my life I tried to find what is best for me.

[Repeat Chorus 3x]
