

Mary J. Blige, Till The Morning

We 'bout to take y'all way back, to love
Morning, can you touch me, can you help me?
Morning, to the sweet stuff, let me heat up
Make me loose my mind, loose freq of time
But I gotta work
You keep sending messages you wantin me
But instant messages don't be as ??
If you wanna get me, put your energy
You should in the real not on the phone
Yeah_yeah
I'm sensing it when you come close
Boy come on cause I'm getting mown
Oooh_oooh
I love it when you do that soul
Turn it up that turns me on
Morning, can you touch me, can you help me?
Morning, to the sweet stuff, let me heat up
Make me loose my mind, loose freq of time
But I gotta work
I can see you know most wrepped up in the sheets
You got me going crazy screaming more
If you want to get me, like you want me to be
Than you gotta stop me for dancing on the floor
Yeah_yeah
I'm sensing it when you come close
Boy come on cause I'm getting mown
Oooh_oooh
I love it when you do that soul
Turn it up that turns, me on
Morning, can you touch me, can you help me?
Morning, to the sweet stuff, let me heat up
Make me loose my mind, loose freq of time
But I gotta work
Morning, can you touch me, can you help me?
Okay, we gonna take you to the rooftop, c'mon!
Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
Now did you like it?
How did you feel?
Was it good to ya?
Can you give a little more?
Now relax now baby
Let me ease your mind
Let me get it together
And I'll regret it till ??
Yeah_yeah
I'm sensing it when you come close
Boy come on cause I'm getting mown
Oooh_oooh
I love it when you do that soul
Turn it up that turns, me on
Morning, can you touch me, can you help me?
Morning, to the sweet stuff, let me heat up
Make me loose my mind, loose freq of time
But I gotta work
Morning, can you touch me, can you help me?
Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
