## Mary J. Blige, Till The Morning

We 'bout to take y'all way back, to love

Morning, can you touch me, can you help me?

Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time

But I gotta work

You keep sending messages you wantin me

But instant messages don't be as ??

If you wanna get me, put your energy

You should in the real not on the phone

Yeah\_yeah

I'm sensing it when you come close

Boy come on cause I'm getting mown

Oooh\_oooh

I love it when you do that soul

Turn it up that turns me on

Morning, can you touch me, can you help me?

Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time

But I gotta work

I can see you know most wrepped up in the sheets

You got me going crazy screeming more

If you want to get me, like you want me to be

Than you gotta stop me for dancing on the floor

Yeah yeah

I'm sensing it when you come close

Boy come on cause I'm getting mown

Oooh oooh

I love it when you do that soul

Turn it up that turns, me on

Morning, can you touch me, can you help me?

Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time

But I gotta work

Morning, can you touch me, can you help me?

Okay, we gonna take you to the rooftop, c'mon!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Now did you like it?

How did you feel?

Was it good to ya?

Can you give a little more?

Now relax now baby

Let me ease your mind

Let me get it together

And I'll regret it till ??

Yeah yeah

I'm sensing it when you come close

Boy come on cause I'm getting mown

Oooh oooh

I love it when you do that soul

Turn it up that turns, me on

Morning, can you touch me, can you help me?

Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time

But I gotta work

Morning, can you touch me, can you help me?

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
