

# Mary Komasa, Pull Me Up

Take me up again  
Share cold  
All the way  
Don't hold back  
Come on  
Keep on going  
and follow

Take me up, up, up, up  
Pull Me Up  
Take me up, up, up, up  
Pull Me Up

We only a bit of pain  
I leave you all the way  
you are too young to be odd  
Until old to be told

Take me up, up, up, up  
Pull Me Up  
Take me up, up, up, up  
Pull Me Up

Take me up again  
taste my sweatness  
All the way  
Don't hold back  
Come on  
Keep on going  
and follow

Take me up, up, up, up  
Pull Me Up  
Take me up, up, up, up  
Pull Me Up
