

# Mary Lou Lord, The Lucky One

Walkin' to the bus stop  
Couldn't wait to get off  
I know I am the lucky one  
Hmm, hmm  
Walking in the twilight  
Cold Nevada twilight  
I know I am the lucky one

On the wheels  
On the tabletop  
On the handles where the 7's stop  
On the floor  
On my heels again  
I know I'm the one  
I'm the one, I'm the one

Standing on the corner  
If I could find a dollar  
I know I'd be the lucky one  
Hmm, hmm

Standing in the last night  
Artificial daylight  
I know I am the lucky one, hmm, hmm  
On the wheels  
On the tabletop  
On the handles when the lemons stop  
On the floor  
On my heels again  
I know I'm the one  
I'm the one, I'm the one  
On the wheels  
On the tabletop  
On the handles when the lemons stop  
On the floor
