

# Mary Mary, Heaven

[hook]

I gotta get myself together, cuz i got someplace to go  
And i'm praying when i get there, i see everyone i know  
I wanna go to heaven, i wanna go to heaven, said i wanna go to heaven, i wanna go to heaven, do  
Go?

[verse 1]

Can you picture a place where there a smile on every face  
And all the worry, all the stressing, all the pressure's been erased  
Walking down a street that's golden,  
Angles singing perfect weather  
Everybody's got a mansion, y'all it just don't get no better  
I wanna go

[hook]

[verse 2]

The only way i can explain it, is that in life we go through changes  
Though we know it serves a purpose, still sometimes it just seems  
Worthless  
But this race that i am running, whether i run it fast or slow  
Long as i just keep on running, i'm gonna make it there someday  
I know

[hook]

[bridge]

There's a place for us/one day i wanna see it  
There's a place for us/and you may not believe it  
But i'm just living my life/so i can live again  
Everyday i'm getting ready/'cause i wanna make it in
