

# Mary Mary, Only One

[Verse 1:]

Born into simplicity  
Such an average child, you wouldn't think  
That his life would bring the greatest change  
And by his name every life would be saved  
Only One could be Savior, Only One could be King

[Verse 2:]

How would you describe a King?  
Would he wear a crown and royal things?  
Or would he rule the world with a strong hand?  
Or give his life for all of man?  
Only One could be Savior, Only One could be King

[Verse 3:]

Wise men came from far away  
Following a star to find the way  
To the place where Baby Jesus lay  
Just to bring him gifts and give him praise  
Only One could be Savior, Only One could be King

Call him Emmanuel, they call him Messiah  
The Savior, the Son, He's the King  
Born of a virgin  
So pure and so perfect, Forever he's worthy, He's the King  
There's nobody greater than my precious Savior  
Hosanna Forever to the King...
