

# Marya Roxx, 21?!

I feel so old, I'm 21  
Got memories, strange times were these  
My youth was kinda' short-lived indeed  
My eyes opened up too fast, may be?  
It all passed by as a blink of an eye  
It seems, and now it feels so far, far away  
21 only 21 only 21 already 21  
21 only 21 only 21 Too real for some  
21 only 21 only 21 I'm not an easy one  
21 only 21 only 21 But I'm still eager to run  
Still don't know what I'm doing,  
Stuck in my youth forever  
Want to live too fast, it's been my trouble  
Or blessing for all I know  
Every day is a taste of a fresh air  
I'm gulping down, I want to live different,  
To fulfill my dreams  
21 only 21 only 21 already 21  
21 only 21 only 21 Too real for sum  
21 only 21 only 21 I'm not an easy one  
21 only 21 only 21 But I'm still eager to run  
21 only 21 only 21 already 21  
21 only 21 only 21 Too real for sum  
21 only 21 only 21 I'm not an easy one  
21 only 21 only 21 But I'm still eager to run
